

Arc protection component. RA23 arc protection interface module 2 sensor inputs Operating voltage: 110 V DC

Figure similar

Protection function	
• protection function / arc protection (ANSI AFD)	Yes
Voltage	
type of voltage	DC
supply voltage	
• at DC / minimum	110 V
• at DC / maximum	110 V
Inputs / Connections / Sensors	
Number of sensor inputs / for arc detector	2
Mechanical Design	
width	15.5 cm
height	82 cm
depth	66 cm
Environmental conditions	
operating temperature	
• minimum	-10 °C
• maximum	55 °C
