

Figure similar

Arc protection component. RA30 arc sensor 1 detector (through hole)
Cabling: 6m shielded

Voltage	
type of voltage	DC
supply voltage	
• at DC / minimum	12 V
• at DC / maximum	12 V
Connections	
Type of cabling / of arc detector	6 m shielded
Number	
Number of arc detector	1
Mechanical Design	
width	23.8 cm
height	77 cm
depth	27.2 cm
Environmental conditions	
operating temperature	
• minimum	-5 °C
• maximum	55 °C
