

# Manifold sub-base VABV-S4-2HS-G18-CB-2T1

Part number: 8067934

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                    | Value                           |
|--------------------------------------------|---------------------------------|
| Width                                      | 38 mm                           |
| CE marking (see declaration of conformity) | As per EU low voltage directive |
| Corrosion resistance class (CRC)           | 0 - No corrosion stress         |
| LABS (PWIS) conformity                     | VDMA24364-B1/B2-L               |
| Product weight                             | 434 g                           |
| Pneumatic connection 2                     | G1/8                            |
| Pneumatic connection 4                     | G1/8                            |
| Note on materials                          | RoHS-compliant                  |
| Plate material                             | Die-cast aluminum               |
