

# Reducing sleeve DARQ-R-A-S14-S10-16

Part number: 8082119

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                                                   |
|----------------------------------|---------------------------------------------------------|
| Length                           | 16 mm                                                   |
| Pack size                        | 1                                                       |
| Structural design                | Internal square and external octagon<br>Reducing sleeve |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress                           |
| LABS (PWIS) conformity           | VDMA24364 zone III                                      |
| Product weight                   | 16 g                                                    |
| Connection 1, function           | Actuator outlet                                         |
| Connection 1, design             | SW14                                                    |
| Connection 2, function           | Reducing outlet                                         |
| Connection 2, design             | SW10                                                    |
| Note on materials                | RoHS-compliant                                          |
| Sleeve material                  | Sintered steel, stainless                               |
