

# Impact protection SACC-N8-SP

Part number: 8184143

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                              |
|----------------------------------|------------------------------------|
| Note on materials                | RoHS-compliant                     |
| Type of mounting                 | Can be inserted in slot from above |
| Product weight                   | 11 g                               |
| Housing material                 | Die-cast zinc                      |
| Corrosion resistance class (CRC) | 1 - Low corrosion stress           |
| LABS (PWIS) conformity           | VDMA24364-B2-L                     |
