ALPHA 160 DIN, WALL-MOUNTED DB,  
FM UNEQ. DISTR. BOARD RAL 9016 IP31 SK2,  
H=650 W=300 D=140

### Technical data:

|                                                    |    |                     |
|----------------------------------------------------|----|---------------------|
| Width                                              | mm | 300                 |
| Height                                             | mm | 650                 |
| Depth                                              | mm | 140                 |
| RAL color number                                   |    | 9016                |
| Protection class IP                                |    | IP31                |
| Design of the cap/top cover                        |    | closed              |
| Mounting depth                                     | mm | 140                 |
| Surface processing                                 |    | powder-coated       |
| Acceptability for application / for outside use    |    | No                  |
| Suitability for interaction / lightning protection |    | No                  |
| Material / of the enclosure                        |    | sheet steel/plastic |
| Product component                                  |    |                     |
| • cable entry                                      |    | Yes                 |
| • Mounting plate                                   |    | No                  |
| Product extension / optional / Sequence            |    | Yes                 |
