EMERGENCY-STOP SWITCH 125A IN MOLDED-PLASTIC ENCLOS. IP65 3KA52,  
3-POLE HANDLE: RED,  
MASK.FRAME: YELLOW WIDTH W=307 MM,  
HEIGHT H=307 MM ENCLOSURE DEPTH D=167 MM

### Technical data:

|                                                    |    |                          |
|----------------------------------------------------|----|--------------------------|
| Protection class IP                                |    | IP65                     |
| Height / of the housing                            | mm | 307                      |
| Width / of the housing                             | mm | 307                      |
| Depth / of the housing                             | mm | 167                      |
| Installation size of fuse-link                     |    | others                   |
| Insulation voltage / rated value                   | V  | 1,000                    |
| Operating current / rated value                    | A  | 125                      |
| Product feature / of the fuse disconnecter housing |    | with switch disconnecter |

### Certificates/approvals:

| General Product Approval                                                                    | Declaration of Conformity                                                                       | Test Certificates                        |                                                    |
