

HEATER DC 24V, 60 W HG140 14013.0-00

Similar to image

### General details:

|                                           |    |                           |
|-------------------------------------------|----|---------------------------|
| Product designation                       |    | semiconductor heater unit |
| Voltage type / of operating voltage       |    | AC/DC                     |
| Operating voltage / rated value / maximum | V  | 30                        |
| Operating voltage / rated value / minimum | V  | 12                        |
| Continuous heat output / at 20 °C         | W  | 75                        |
| Recorded real power / nominal value       | W  | 60                        |
| Product component / thermostat            |    | No                        |
| Product component / blower                |    | No                        |
| Depth                                     | mm | 50                        |
| Height                                    | mm | 185                       |
| Width                                     | mm | 70                        |
| Protection class IP                       |    | IP20                      |
