### XXRF1A8KAM12L

Ultrasonic sensors XX, ultrasonic sensor parallelepipedic 7x19x33, receiver, Sn 0.2 m 2 NO, M12 connec

### Main

| TTTOTTT                       |                                            |
|-------------------------------|--------------------------------------------|
| Range of product              | Telemecanique Ultrasonic sensors XX        |
| Sensor type                   | Ultrasonic sensor receiver                 |
| Series name                   | General purpose                            |
| Sensor name                   | XXR                                        |
| Sensor design                 | Flat form 33 x 19 x 7.6                    |
| Detection system              | Thru beam (need a transmitter XXTF1A8M12L) |
| [Sn] nominal sensing distance | 0.2 m fixed                                |
| Material                      | Plastic                                    |
| Type of output signal         | Discrete                                   |
| Discrete output function      | 2 NO                                       |
| Wiring technique              | 4-wire                                     |
| Discrete output type          | PNP and NPN                                |
| [Us] rated supply voltage     | 1224 V DC with reverse polarity protection |
| Electrical connection         | Male connector M12 4 pins                  |
| [Sd] sensing range            | 00.2 m                                     |
| IP degree of protection       | IP67 conforming to IEC 60529               |
|                               |                                            |

### Complementary

| Compromortary                   |                                                   |  |
|---------------------------------|---------------------------------------------------|--|
| Enclosure material              | ULTEM                                             |  |
| Front material                  | Ероху                                             |  |
| Supply voltage limits           | 1028 V DC                                         |  |
| [Sa] assured operating distance | 00.2 m                                            |  |
| Current consumption             | 50 mA                                             |  |
| Maximum switching current       | 100 mA with overload and short-circuit protection |  |
| Maximum voltage drop            | 1 V                                               |  |
| Switching frequency             | <= 125 Hz                                         |  |
| Maximum delay first up          | 100 ms                                            |  |
| Maximum delay response          | 20 ms                                             |  |
| Maximum delay recovery          | 4 ms                                              |  |
| Marking                         | CE                                                |  |
| Height                          | 19 mm                                             |  |
| Width                           | 8 mm                                              |  |
| Depth                           | 33 mm                                             |  |
| Net weight                      | 0.04 kg                                           |  |

#### Environment

| Standards                             | IEC 60947-5-2                                              |  |
|---------------------------------------|------------------------------------------------------------|--|
| Product certifications                | UL                                                         |  |
| Ambient air temperature for operation | -2065 °C                                                   |  |
| Ambient air temperature for storage   | -4080 °C                                                   |  |
| Vibration resistance                  | +/-1 mm conforming to IEC 60068-2-6 (f = 1055 Hz)          |  |
| Shock resistance                      | 30 gn in all 3 axes for 11 ms conforming to IEC 60068-2-27 |  |
| Resistance to electrostatic discharge | 8 kV level 4 conforming to IEC 61000-4-2                   |  |

| Resistance to electromagnetic fields       | 10 V/m level 3 conforming to IEC 61000-4-3                                                                                                                                                                                                                                                                                            |
|--------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Resistance to fast transients              | 1 kV level 3 conforming to IEC 61000-4-4                                                                                                                                                                                                                                                                                              |
| Packing Units                              |                                                                                                                                                                                                                                                                                                                                       |
| Unit Type of Package 1                     | PCE                                                                                                                                                                                                                                                                                                                                   |
| Number of Units in Package 1               | 1                                                                                                                                                                                                                                                                                                                                     |
| Package 1 Height                           | 4.1 cm                                                                                                                                                                                                                                                                                                                                |
