| Movement of operating head | Multi-directional<br>Rotary                                              |
| Type of operator           | Spring rod spring return                                                 |
| Type of approach           | Multi-directional approach                                               |

## Complementary

|                  |                    |
|------------------|--------------------|
| Switch actuation | By any moving part |
| Positive opening | Without            |
| Head material    | Metal              |

## Environment

|                                       |                      |
|---------------------------------------|----------------------|
| Ambient air temperature for operation | -25...70 °C          |
| Ambient air temperature for storage   | -40...70 °C          |
| Environmental characteristic          | Standard environment |

## Packing Units

|                              |     |
|------------------------------|-----|
| Unit Type of Package 1       | PCE |
| Number of Units in Package 1 | 1   |

## Offer Sustainability
