

Clean-line cylinder mounting clamp for cylinder sensors

CLAMP FOR CLEAN LINE CYL D25

Application

Design	for types MKT / MKI
--------	---------------------

Operating conditions

Ambient temperature	[°C]	0...50
---------------------	------	--------

Mechanical data

Weight	[g]	9.2
Materials		POM; fixture: aluminium; screw: stainless steel
Tightening torque	[Nm]	0.5; (Mounting screw)
Piston diameter	[mm]	25

Accessories

Accessories (supplied)	socket head screws: 1 x SW2,5
------------------------	-------------------------------

Remarks

Pack quantity	1 pcs.
