

Lens attachment for fibre optics

LENS ATTACHMENT D5X10-M3

- 1 light emission
- 2 internal thread M3

| Application          |                                  |
|----------------------|----------------------------------|
| Design               | for through-beam fibre optics M3 |
| Operating conditions |                                  |
| Ambient temperature  | [°C] -40...70                    |
| Mechanical data      |                                  |
| Weight               | [g] 3                            |
| Materials            | aluminium black anodised         |
| Remarks              |                                  |
| Pack quantity        | 2 pcs.                           |
