## Screw-in adapter for process sensors

ADAPT TA G1/4 V4A

| Application        |       |                                 |
|--------------------|-------|---------------------------------|
| Pressure rating    | [bar] | 400                             |
| Mechanical data    |       |                                 |
| Weight             | [g]   | 90.6                            |
| Materials          |       | stainless steel (1.4404 / 316L) |
| Sensor connection  |       | G 1/4                           |
| Process connection |       | G 1/4                           |
| Remarks            |       |                                 |
| Pack quantity      |       | 1 pcs.                          |
