

E30108

Welding adapter for temperature sensors

WELDING ADAPTER D6

Application		
Design		for temperature sensors Ø 6 mm
Pressure rating	[bar]	160
Mechanical data		
Weight	[g]	73.4
Materials		stainless steel (1.4404 / 316L)
Sensor connection		clamp adapter
Process connection		welding adapter Ø 24,7 mm
Remarks		
Pack quantity		1 pcs.
