

E30132

Screw-in adapter for vibration sensors

PEEK-ADAPTER

Application

Design for vibration sensors VSA001, VSA101, VSA201

Operating conditions

Ambient temperature [°C] -30...260

Note on ambient temperature briefly: 300 °C

Mechanical data

Weight [g] 8.2

Dimensions [mm] M8

Thread designation M8

Materials PEEK

Remarks

Remarks When necessary, secure the thread with industrially compatible glue, e.g. DELO - ML 5249

Pack quantity 1 pcs.
