

Coaxial pipe

LR COAX TUBE 800 V2A

1 fixing bracket for centring piece

Application

Design		for level sensors LR
Medium temperature	[°C]	-40...200
Tank pressure	[bar]	-1...16

Mechanical data

Weight	[g]	460.6
Materials		stainless steel (1.4301 / 304); fixing bracket: stainless steel (1.4310 / 301); Centring piece: PPS reinforced fibre
Sensor connection		G 3/4
Process connection		G 3/4
Length	[mm]	800

Accessories

Accessories (supplied)	Sealing NBR, reinforced fibre
------------------------	-------------------------------

Remarks

Pack quantity	1 pcs.
