

# E43381

## Coupling plate for level sensors

LAUNCHING PLATE 3/4NPT

### Application

|                     |                      |
|---------------------|----------------------|
| Design              | for level sensors LR |
| Tank pressure [bar] | -1...16              |

### Mechanical data

|                        |                                                                                       |
|------------------------|---------------------------------------------------------------------------------------|
| Weight [g]             | 649.2                                                                                 |
| Materials              | base plate: stainless steel (1.4571/316Ti ); Adapter: stainless steel (1.4404 / 316L) |
| Tightening torque [Nm] | 6...9                                                                                 |
| Process connection     | 3/4 NPT                                                                               |

### Remarks

|               |        |
|---------------|--------|
| Pack quantity | 1 pcs. |
|---------------|--------|
