

PRODUCT-DETAILS

# IS2-EN0102K

## THERMOST-10+80 AL.110/250V A.C.NC 7035

### General Information

|                       |                                        |
|-----------------------|----------------------------------------|
| Extended Product Type | IS2-EN0102K                            |
| Product ID            | EN0102K                                |
| EAN                   | 8015646747259                          |
| Catalog Description   | THERMOST-10+80 AL.110/250V A.C.NC 7035 |
| Long Description      | Heating thermostat NC                  |

### Ordering

|                        |               |
|------------------------|---------------|
| EAN                    | 8015646747259 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 90321080      |

### Dimensions

|                            |          |
|----------------------------|----------|
| Product Net Width          | 29 mm    |
| Product Net Height         | 68 mm    |
| Product Net Depth / Length | 45 mm    |
| Product Net Weight         | 0.054 kg |

## Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | 1 piece       |
| Package Level 1 Width          | 0.050 m       |
| Package Level 1 Height         | 0.035 m       |
| Package Level 1 Depth / Length | 0.073 m       |
| Package Level 1 Gross Weight   | 0.080 kg      |
| Package Level 1 EAN            | 8015646747259 |

## Environmental

|                         |                                                    |
|-------------------------|----------------------------------------------------|
| Ambient Air Temperature | Operation -10 ... +80 °C<br>Storage -40 ... +90 °C |
|-------------------------|----------------------------------------------------|

## Additional Information

|                                                    |                                                                 |
|----------------------------------------------------|-----------------------------------------------------------------|
| Accessory Type                                     | IP20 Thermostat                                                 |
| Material                                           | ABS/PC Alloy                                                    |
| Nominal AC Voltage of the System (U <sub>0</sub> ) | 110 V<br>250 V                                                  |
| Product Main Type                                  | SR2 Enclosures                                                  |
| Product Name                                       | Control and Automation Board                                    |
| Product Type                                       | 5B5B30B380                                                      |
| Rated Operational Current (I <sub>e</sub> )        | 10 A                                                            |
| Remarks                                            | ETIM                                                            |
| RoHS Date                                          | 20140108                                                        |
| Standards                                          | See code for structure                                          |
| Sub-Function 3                                     | Thermostat NC                                                   |
| Suitable For                                       | IS2 Enclosures for Automation<br>SR2 Enclosures<br>AM2 Cabinets |
| Suitable for Product Class                         | SR2                                                             |

## Certificates and Declarations (Document Number)

|                                   |                 |
|-----------------------------------|-----------------|
| Data Sheet, Technical Information | 1STC804013D0209 |
| Declaration of Conformity - CE    | 1STC860113      |
| Environmental Information         | 1STC804013D0209 |
| Instructions and Manuals          | 1STM604121R0006 |
| RoHS Information                  | 1STC860065      |

## Classifications

|        |                                            |
|--------|--------------------------------------------|
| ETIM 4 | EC002014 - Thermostat (switchgear cabinet) |
| ETIM 5 | EC002014 - Thermostat (switchgear cabinet) |

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| ETIM 6                     | EC002014 - Thermostat (switchgear cabinet)                 |
| ETIM 7                     | EC002014 - Thermostat (switchgear cabinet)                 |
| Object Classification Code | U                                                          |
| WEEE Category              | 5. Small Equipment (No External Dimension More Than 50 cm) |
