

## PRODUCT-DETAILS

# SU/S30.640.1

## SU/S30.640.1 Uninterruptible EIB Power Supply, 640 mA, MDRC

### Общая информация

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Тип расширенного изделия        | SU/S30.640.1                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Идентификационный номер изделия | GHQ6310049R0111                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Европейский товарный код (EAN)  | 4016779514774                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Описание в каталоге             | SU/S30.640.1 Uninterruptible EIB Power Supply, 640 mA, MDRC                                                                                                                                                                                                                                                                                                                                                                                         |
| Длинное описание                | Power supply 640 mA with integrated choke for supplying a bus line from an uninterrupted supply. Quick diagnostics via LED display for operational readiness, fault and battery level as well as a floating contact for a fault signal indication. The accumulator module or up to 2 rechargeable batteries can be charged in normal operation by the voltage supply. The bus voltage is provided by the batteries in the event of a mains failure. |

### Ordering

|                                |               |
|--------------------------------|---------------|
| Европейский товарный код (EAN) | 4016779514774 |
| Номер таможенного тарифа       | 85044090      |
| Минимальный объем заказа       | 1 штука       |
| E-Number (Switzerland)         | 405800205     |
| E-Number (Finland)             | 2815183       |
| E-Number (Sweden)              | 1750034       |

---

## Dimensions

|                        |          |
|------------------------|----------|
| Чистая толщина изделия | 64.5 mm  |
| Чистая высота изделия  | 90 mm    |
| Чистая ширина изделия  | 144 mm   |
| Чистый вес изделия     | 0.498 kg |

---

## Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | box 1 штука   |
| Package Level 1 EAN            | 4016779514774 |
| Package Level 1 Depth / Length | 149 mm        |
| Package Level 1 Height         | 65 mm         |
| Package Level 1 Width          | 92 mm         |
| Package Level 1 Gross Weight   | 0.55 kg       |

---

## Technical

|                        |          |
|------------------------|----------|
| Compatible Bus Systems | KNX (TP) |
| Степень защиты         | IP20     |
| Тип монтажа            | DIN-rail |

---

## Certificates and Declarations (Document Number)

|                                                                |                                    |
