Product datasheet Characteristics

GS2AH250

TeSys GS - black external right side rotary handle - for switch disc 630...1250 A

Price*: 75.33 GBP

Main

Range of product	TeSys
Device short name	GS2AH
Product or component type	Rotary handle
Handle colour	Black
Handle front plate colour	Grey

Complementary

Main Range of product TeSys Device short name GS2AH Product or component type Rotary handle Handle colour Black Handle front plate colour Grey Complementary Type of operating handle External right side Marking O-I Rotary handle padlocking Lockable in O position	
Range of product TeSys Device short name GS2AH Product or component type Rotary handle Handle colour Black Handle front plate colour Grey Complementary Type of operating handle External right side Marking O-I	
Range of product TeSys Device short name GS2AH Product or component type Rotary handle Handle colour Black Handle front plate colour Grey Complementary Type of operating handle External right side Marking O-I	:
Range of product TeSys Device short name GS2AH Product or component type Rotary handle Handle colour Black Handle front plate colour Grey Complementary Type of operating handle Marking Device short name GS2AH Rotary handle Rotary handle External right side O-I	
Range of product TeSys Device short name GS2AH Product or component type Rotary handle Handle colour Black Handle front plate colour Grey Complementary Type of operating handle Marking Device short name GS2AH Rotary handle Rotary handle External right side O-I	
Range of product TeSys Device short name GS2AH Product or component type Rotary handle Handle colour Black Handle front plate colour Grey Complementary Type of operating handle Marking Device short name GS2AH Rotary handle Rotary handle External right side O-I	•
Device short name GS2AH Product or component type Rotary handle Handle colour Black Handle front plate colour Grey Complementary Type of operating handle External right side Marking O-I	
Product or component type Rotary handle Handle colour Black Handle front plate colour Grey Complementary Type of operating handle External right side Marking O-I	
Handle colour Handle front plate colour Grey Complementary Type of operating handle Marking D-I	
Handle front plate colour Complementary Type of operating handle Marking O-I Grey Complementary Complementary O-I	
Complementary Type of operating handle External right side Marking O-I	
Type of operating handle External right side Marking O-I	
Type of operating handle External right side Marking O-I	
Type of operating handle External right side Marking O-I	
Marking O-I	
	·
Rotary handle padlocking Lockable in O position	
Product compatibility GS	
Switch rated current 630 A	
800 A	
1250 A	
Product weight 0.28 kg	
Environment	;
