| Название изделия               | STA-KON AND CATAMOUNT TERMINAL                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Тип изделия                    | Two-Piece Inner Sleeve Connector                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Специальные функции            | Shielded cable grounding system made of 2 cylindrical sleeves (inner sleeve + outer sleeve), for solderless crimp connection. Inner sleeve for the Hexagonal Range (the corresponding outer sleeve is crimped with a hand tool and the result is a hexagonal-shaped crimp), for grounding shielded and coaxial cables. The sleeves are color coded according to their size. Millions of installations in communications, aerospace, electronic, telephone, radio and TV applications. |
| Универсальный код товара (UPC) | 786210813059                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
