### Container Information

|                        |               |
|------------------------|---------------|
| Package Level 1 Units  | 1000 piece    |
| Package Level 1 Width  | 3 in<br>76 mm |
| Package Level 1 Height | 3 in<br>76 mm |

|                                |                   |
|--------------------------------|-------------------|
| Package Level 1 Depth / Length | 3.5 in<br>89 mm   |
| Package Level 2 Units          | 10000 piece       |
| Package Level 2 Width          | 7.5 in<br>191 mm  |
| Package Level 2 Height         | 3.5 in<br>89 mm   |
| Package Level 2 Depth / Length | 16.4 in<br>417 mm |

## Additional Information

|                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| Product Name        | STA-KON AND CATAMOUNT TERMINAL                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Product Type        | Two-Piece Outer Sleeve Connector                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Special Functions   | Shielded cable grounding system made of 2 cylindrical sleeves (inner sleeve + outer sleeve), for solderless crimp connection. Outer sleeve for the Hexagonal Range (the outer sleeve is crimped with a hand tool and the result is a hexagonal-shaped crimp), for grounding shielded and coaxial cables. The sleeves are color coded according to their size. Millions of installations in communications, aerospace, electronic, telephone, radio and TV applications. |
