| Opis katalogowy       | 2-PC OUTER SLV CONN PUR I.D. 0.225                                                                                                                                                       |
| Opis                  | Two Piece Outer Sleeve Connector for Hexagonal Range, Length 1/4 Inch/6.4mm, Inner Diameter .225 Inches/5.71mm, Outer Diameter .256 Inches/6.50mm, Color Purple, Soft Bronze, Tin Plated |

### Charakterystyka zamówienia

|           |               |
|-----------|---------------|
| Numer EAN | 5414363114468 |
|-----------|---------------|

### Wymiary

|                        |       |
|------------------------|-------|
| Długość produktu netto | 0, mm |
|------------------------|-------|

### Informacje o pakowaniu

|                                    |             |
|------------------------------------|-------------|
| Jednostka opakowania<br>(poziom 1) | 1000 sztuka |
|------------------------------------|-------------|

|                                    |                   |
|------------------------------------|-------------------|
| Szerokość opakowania<br>(poziom 1) | 3.3 in<br>84 mm   |
| Wysokość opakowania<br>(poziom 1)  | 3.2 in<br>81 mm   |
| Długość opakowania<br>(poziom 1)   | 3.8 in<br>97 mm   |
| Jednostka opakowania<br>(poziom 2) | 10000 sztuka      |
| Szerokość opakowania<br>(poziom 2) | 7.5 in<br>191 mm  |
| Wysokość opakowania<br>(poziom 2)  | 3.5 in<br>89 mm   |
| Długość opakowania<br>(poziom 2)   | 16.4 in<br>417 mm |

## Dodatkowe informacje

|                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| Nazwa produktu      | STA-KON AND CATAMOUNT TERMINAL                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Rodzaj produktu     | Two-Piece Outer Sleeve Connector                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Funkcje specjalne   | Shielded cable grounding system made of 2 cylindrical sleeves (inner sleeve + outer sleeve), for solderless crimp connection. Outer sleeve for the Hexagonal Range (the outer sleeve is crimped with a hand tool and the result is a hexagonal-shaped crimp), for grounding shielded and coaxial cables. The sleeves are color coded according to their size. Millions of installations in communications, aerospace, electronic, telephone, radio and TV applications. |
| UPC                 | 786210813899                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
