

## PRODUCT-DETAILS

# HAMM0304G1

## NICKEL PLATE GLAND FOR 16MM CONDUIT

### General Information

|                       |                                                                                                                                                                                                                                                             |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type | HAMM0304G1                                                                                                                                                                                                                                                  |
| Product ID            | 7TCA297090R0125                                                                                                                                                                                                                                             |
| EAN                   | 5011949016163                                                                                                                                                                                                                                               |
| Catalog Description   | NICKEL PLATE GLAND FOR 16MM CONDUIT                                                                                                                                                                                                                         |
| Long Description      | Liquid Tight Fitting for Conduit, ATEX Flameproof G1 Gland, Straight with External Male Thread, Conduit Size 16mm, M20 Thread, CSA, Group I & II, Zones 1, 2, 21 and 22, Class I Div2 ABCD, Class II Div1 EFG, Nickel Plated Brass with Epoxy Resin Barrier |

### Additional Information

|              |                                                                         |
|--------------|-------------------------------------------------------------------------|
| Application  | Ideal for Ex I & II 2 GD Gas and Dust, Exde IIC and Exe II Applications |
| Product Type | Liquid Tight Conduit Fitting with Flameproof Barrier                    |

### Ordering

|                       |               |
|-----------------------|---------------|
| EAN                   | 5011949016163 |
| UPC                   | 786210243382  |
| Customs Tariff Number | 7412200035    |

### Technical

|                     |          |
|---------------------|----------|
| Number of Batteries | 0        |
| Color               | Metallic |

|          |                                |
|----------|--------------------------------|
| Material | Brass with Epoxy Resin Barrier |
| Size     | Conduit Size 16mm ; M20 Thread |

Environmental

|               |                           |
|---------------|---------------------------|
| WEEE Category | Product Not in WEEE Scope |
|---------------|---------------------------|

Container Information

|                                |                 |
|--------------------------------|-----------------|
| Package Level 1 Units          | 1 piece         |
| Package Level 2 Units          | 10 piece        |
| Package Level 2 Height         | 16 in<br>406 mm |
| Package Level 2 Depth / Length | 14 in<br>356 mm |
| Package Level 2 Width          | 14 in<br>356 mm |

Certificates and Declarations (Document Number)

|                                   |                 |
