

Main

Range of product	GV2ME GV2P GV2RT
Product or component type	Limiters
Accessory / separate part type	Power connection accessories

Complementary

[Ith] conventional free air thermal current	63 A
Breaking capacity	100 kA at 440 V 35 kA at 690 V
Mounting mode	Separate on rail
[Ui] rated insulation voltage	690 V conforming to EN 60947-1 690 V conforming to IEC 60947-1
Irms rated making capacity	1 kA
Connections - terminals	Connector 1 cable 1.5...25 mm ² - cable stiffness: solid - Connector 2 cable 1.5...10 mm ² - cable stiffness: solid - Connector 1 cable 1.5...25 mm ² - cable stiffness: flexible - without cable end Connector 1 cable 1.5...16 mm ² - cable stiffness: flexible - with cable end Connector 2 cable 1.5...10 mm ² - cable stiffness: flexible - without cable end Connector 2 cable 1.5...4 mm ² - cable stiffness: flexible - with cable end
Tightening torque	2.2 N.m - with screwdriver Philips No 2 2.2 N.m - with screwdriver flat Ø 6 mm
Product weight	0.32 kg
