

# LV429408

MN undervoltage release, Compact NSX, PowerPact Multistandard, EasyPact CVS, rated voltage 380 to 415 VAC 50/60 Hz, 440 to 480 VAC 60 Hz

## Main

|                              |                                                        |
|------------------------------|--------------------------------------------------------|
| Device short name            | MN                                                     |
| Product or component type    | Voltage release                                        |
| Device application           | Control                                                |
| Range compatibility          | Compact NSX<br>EasyPact CVS<br>PowerPact Multistandard |
| Voltage release type         | Undervoltage release                                   |
| [Uc] control circuit voltage | 380...415 V AC 50 Hz<br>440...480 V AC 60 Hz           |

## Complementary

|                               |                                              |
|-------------------------------|----------------------------------------------|
| Threshold tripping voltage    | 0.35...0.7 x Un opening<br>0.85 x Un closing |
| Supply holding power          | 5 VA                                         |
| Supply inrush power           | 10 VA                                        |
| Mounting mode                 | Fixed                                        |
| Response time                 | 50 ms                                        |
| Auxiliary connection terminal | Screw terminal 0...1.5 mm <sup>2</sup>       |

## Offer Sustainability

|                            |                                                  |
