

Main

Range of product	Advantys OTB
Product or component type	Passive commoning module
Product specific application	For grouping inter-module I/O commons
Electrical connection	Removable screw terminal block

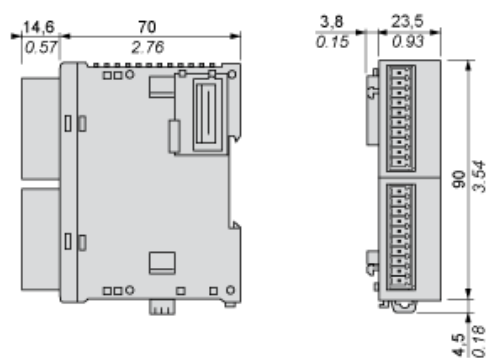

Complementary

Number of common point	2 insulated groups
Output voltage limits	215...240 V 19...30 V DC
Current per output common	8 A
Current per channel	2 A
Product weight	0.1 kg

Common Block Expansion Module

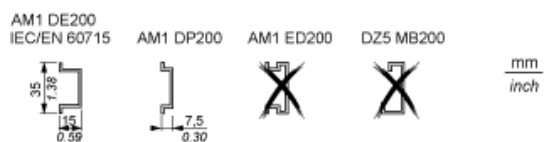

Dimensions

$\frac{\text{mm}}{\text{inch}}$

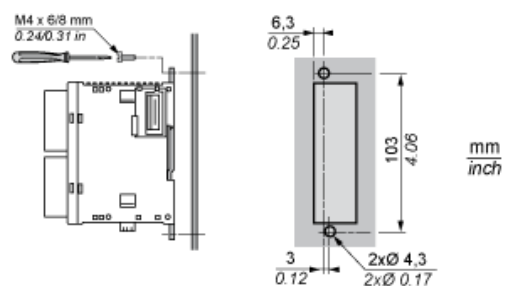

Common Block Expansion Module

Mounting on Rail

Mounting on Panel with Attachment Kit TWDXMT5

Common Block Expansion Module
