

## Product Data Sheet GW40107BD

40 CD Range

IP65 range of watertight anclosures from 8 to 72M with smoked transparent door and equipped with screw wiring multipolar terminal blocks, 80 A and IP20. The main technical features are: reversible front and back panel, removable frames and panels with windows and detechable doors with up to 180° opening and lock accessory. The terminal blocks allow to create simple and neat wiring reducing the set-up time of the enclosure.

| Insulation class          | II (according to IEC 61140 standards)        | Colour                               | Grey RAL 7035   |
|---------------------------|--|--------------------------------------|---|
| Outer dim. LxHxD (mm)     | 410x463x140                                  | IP degree                            | IP65  |
| Dispersible power (W)     | 43   | Mechanical resistance                | IK09  |
| Rated voltage             | 400V   | Door colour                          | Smoked Transparent  |
| Terminal blocks           | 80 A - IP20 bipolar holes with screws        | No. of modules EN 50022              | 36 (18x2)   |
| Rated current             | 125 A  | Glow Wire Test                       | 650 °C  |
| Operating temperature     | -25 +60 °C                                   | Type of material                     | Halogen-free in compliance with EN 60754-2                |
| Thermo-pressure with ball | 70 °C  | Accessories for insulation restoring | Screwcaps (GW44623) or fixing brackets in resin (GW44621) |
| Standard                  | EN 60670-1 (CEI 23-48) IEC60670-24 CEI 23-49 | Insulation voltage 100               | 0 V according to EN 62208 both in ac as well as in dc     |
| Pole 1 (mm²)              | N/E 2x[(3x16) + (17x10)]                     | Pole 2 (mm²)                         | N/E 2x[(3x16) + (17x10)]                                  |

| BEHAVIOUR WITH CHEMICAL AND ATMOSPHERIC AGENTS |                  |                                      |                  |                                      |                                      |                  |                  |                                      |                                      |                                      |  |  |
|--|------------------|--------------------------------------|------------------|--------------------------------------|--------------------------------------|------------------|------------------|--------------------------------------|--------------------------------------|--------------------------------------|--|--|
| Saline<br>solution                             | Acids            |                                      | Bases            |                                      | Solvents                             |                  |                  | Mineral                              | UV                                   |                                      |  |  |
|  | Concentrated     | Diluited                             | Concentrated     | Diluited                             | Hexane                               | Benzol           | Acetone          | Alcohol                              | oil                                  | rays                                 |  |  |
| Resistant                                      | Not<br>resistant | L <mark>imite</mark> d<br>resistance | Not<br>resistant | L <mark>imite</mark> d<br>resistance | L <mark>imite</mark> d<br>resistance | Not<br>resistant | Not<br>resistant | L <mark>imite</mark> d<br>resistance | L <mark>imite</mark> d<br>resistance | L <mark>imite</mark> d<br>resistance |  |  |
