| EAN                   | 5415022209969                                                                                                                                                                                                                              |
| Catalog Description   | NATURAL TIE 80N 160MM DISTRI PACK                                                                                                                                                                                                          |
| Long Description      | Cable Tie, Natural Polyamide (Nylon 6.6) for Temperatures up to 85 Degrees Celsius (185 F), Length of 160mm (6.30 Inches), Width of 2.5mm (0.098 Inch), Thickness of 1.1mm (0.043 Inch), Tensile Strength Rating of 80 Newtons (18 Pounds) |

### Ordering

|     |               |
|-----|---------------|
| EAN | 5415022209969 |
|-----|---------------|

### Dimensions

|                    |                    |
|--------------------|--------------------|
| Product Net Weight | .005 lb<br>2.268 g |
|--------------------|--------------------|

### Container Information

|                        |                   |
|------------------------|-------------------|
| Package Level 1 Units  | 100 piece         |
| Package Level 1 Width  | 4.33 in<br>110 mm |
| Package Level 1 Height | 0.25 in           |

|                                |                    |
|--------------------------------|--------------------|
|                                | 6 mm               |
| Package Level 1 Depth / Length | 10.63 in<br>270 mm |
| Package Level 2 Units          | 40000 piece        |
| Package Level 2 Width          | 14.96 in<br>380 mm |
| Package Level 2 Height         | 14.17 in<br>360 mm |
| Package Level 2 Depth / Length | 22.44 in<br>570 mm |

## Additional Information

|                     |                                                                                                                            |
|---------------------|----------------------------------------------------------------------------------------------------------------------------|
| Application         | For Temperatures up to 85 Degrees Celsius (185 F). The right cable tie for control panels and wiring harness applications. |
| Brand / Label       | Spec-Kon                                                                                                                   |
| Bundle Diameter     | 0.059 to 1.57 in<br>1.5 to 40 mm                                                                                           |
| Color               | Natural                                                                                                                    |
| Lock Type           | Plastic Pawl                                                                                                               |
| Material            | Nylon/Polyamide 6.6                                                                                                        |
