

PRODUCT-DETAILS

# IS2-VS6285K

## WALL MOUNTED EXCHANGER-85W/K 7035

### General Information

|                       |                                                          |
|-----------------------|----------------------------------------------------------|
| Extended Product Type | IS2-VS6285K                                              |
| Product ID            | VS6285K                                                  |
| EAN                   | 8015646747396                                            |
| Catalog Description   | WALL MOUNTED EXCHANGER-85W/K 7035                        |
| Long Description      | Wall mounting 900x435x175mm (HxWxD) Power supply 230V AC |

### Ordering

|                        |               |
|------------------------|---------------|
| EAN                    | 8015646747396 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 84151090      |

### Dimensions

|                            |          |
|----------------------------|----------|
| Product Net Width          | 318 mm   |
| Product Net Height         | 107 mm   |
| Product Net Depth / Length | 0.175 mm |
| Product Net Weight         | 28 kg    |

### Container Information

|                       |         |
|-----------------------|---------|
| Package Level 1 Units | 1 piece |
|-----------------------|---------|

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Width          | 0.318 m       |
| Package Level 1 Height         | 0.107 m       |
| Package Level 1 Depth / Length | 1.250 m       |
| Package Level 1 Gross Weight   | 28.000 kg     |
| Package Level 1 EAN            | 8015646747396 |

## Additional Information

|                                                    |                               |
|----------------------------------------------------|-------------------------------|
| Degree of Protection                               | acc. to IEC 60529 IP54        |
| Input Voltage Type                                 | AC                            |
| Material                                           | Pickled steel sheet           |
| Nominal AC Voltage of the System (U <sub>o</sub> ) | 230 V                         |
| Product Main Type                                  | IS2 Enclosures for Automation |
| Product Name                                       | Control and Automation Board  |
| Product Type                                       | 5B5B30B380                    |
| Remarks                                            | ETIM                          |
| RoHS Date                                          | 20140108                      |
| Standards                                          | See code for structure        |
| Sub-Function 3                                     | Heat exchangers               |
| Sub-Function 4                                     | 85 W                          |
| Suitable For                                       | IS2 Enclosures for Automation |
| Suitable for Product Class                         | Control and Automation Board  |

## Certificates and Declarations (Document Number)
