## Product data sheet Characteristics

## VW3A36201

## I/O control card for ATV320 Compact Control - ware part

Main	
Range of product	Altivar
Accessory / separate part type	Control I/O card
Range compatibility	Altivar Machine ATV320
Accessory / separate part category	Replacement part
Product compatibility	Variable speed drive ATV320C
Accessory / separate part destination	Variable speed drive
Input/Output number	6 logic input for DI1DI6 2 relay output for R1, R2 1 analog output for AQ1 3 analog input for AI1, AI2, AI3

## Complementary

Product weight	0.2 kg
