

### Main

|                           |                                                                         |
|---------------------------|-------------------------------------------------------------------------|
| Range of product          | Altivar                                                                 |
| Product or component type | ATV71 braking resistor<br>ATV61 braking resistor                        |
| Range compatibility       | Altivar 61<br>Altivar 71<br>Altivar 61Q<br>Altivar 71Q                  |
| Product compatibility     | ATV71QD90N4<br>ATV71HD90N4<br>ATV61QC11N4<br>ATV61HD90N4<br>ATV61HC11N4 |
| Average power available   | 25 kW at 50 °C                                                          |
| Ohmic value               | 2.75 Ohm                                                                |

### Complementary

|                       |                                               |
|-----------------------|-----------------------------------------------|
| Electrical connection | Bar wire with M10 screw for drive             |
| Protection type       | Thermal protection via thermal overload relay |
| Product weight        | 80 kg                                         |

### Environment

|                                       |             |
|---------------------------------------|-------------|
| Ambient air temperature for operation | 0...50 °C   |
| Ambient air temperature for storage   | -25...70 °C |
| IP degree of protection               | IP23        |
