

### Main

|                           |                                                                                                                  |
|---------------------------|------------------------------------------------------------------------------------------------------------------|
| Range of product          | Altivar                                                                                                          |
| Product or component type | ATV71 hoist resistor<br>ATV61 braking resistor                                                                   |
| Range compatibility       | Altivar 61<br>Altivar 71<br>Altivar 61Q<br>Altivar 71Q                                                           |
| Product compatibility     | ATV71QC63Y<br>ATV71HC63Y<br>ATV61QC80Y<br>ATV61HC80Y<br>ATV71QC40N4<br>ATV71QC31N4<br>ATV71HC40N4<br>ATV71HC31N4 |
| Average power available   | 225 kW at 50 °C                                                                                                  |
| Ohmic value               | 0.7 Ohm                                                                                                          |

### Complementary

|                       |                                               |
|-----------------------|-----------------------------------------------|
| Electrical connection | Bar wire with M10 screw                       |
| Protection type       | Thermal protection via thermal overload relay |
| Product weight        | 543 kg                                        |

### Environment

|                                       |             |
|---------------------------------------|-------------|
| Ambient air temperature for operation | 0...50 °C   |
| Ambient air temperature for storage   | -25...65 °C |
| IP degree of protection               | IP23        |
