

#### Main

|                           |                            |
|---------------------------|----------------------------|
| Range of product          | Altivar                    |
| Product or component type | ATV71 hoist resistor       |
| Range compatibility       | Altivar 71<br>Altivar 71Q  |
| Product compatibility     | ATV71QC50N4<br>ATV71HC50N4 |
| Average power available   | 330 kW at 50 °C            |
| Ohmic value               | 0.7 Ohm                    |

#### Complementary

|                       |                                               |
|-----------------------|-----------------------------------------------|
| Electrical connection | Bar wire with M10 screw                       |
| Protection type       | Thermal protection via thermal overload relay |
| Product weight        | 642 kg                                        |

#### Environment

|                                       |             |
|---------------------------------------|-------------|
| Ambient air temperature for operation | 0...50 °C   |
| Ambient air temperature for storage   | -25...65 °C |
| IP degree of protection               | IP23        |
