

## Main

|                                 |                     |
|---------------------------------|---------------------|
| Range of product                | Harmony XAC         |
| Product or component type       | Head for pushbutton |
| Component name                  | XACA                |
| Marking                         | Lower, slow-fast    |
| Operator additional information | Booted              |
| Product compatibility           | XACA217.            |

## Complementary

|                |         |
|----------------|---------|
| Product weight | 0.01 kg |
|----------------|---------|

## Environment

|                                            |                                                                                           |
|--------------------------------------------|-------------------------------------------------------------------------------------------|
| Standards                                  | EN 60204-32<br>EN 60947-5-1<br>IEC 60204-32<br>IEC 60947-5-1<br>UL 508<br>CSA C22.2 No 14 |
| Ambient air temperature for operation      | -25...70 °C                                                                               |
| Ambient air temperature for storage        | -40...70 °C                                                                               |
| Vibration resistance                       | 15 gn (f = 10...500 Hz) conforming to IEC 60068-2-6                                       |
| Shock resistance                           | 100 gn conforming to IEC 60068-2-27                                                       |
| Class of protection against electric shock | Class II conforming to IEC 61140                                                          |
| IP degree of protection                    | IP65 conforming to IEC 60529                                                              |
| IK degree of protection                    | IK08 conforming to EN 50102                                                               |
