

# XPSMCMME0000

memory card to save configuration data and transfer to a new device

## Main

|                                |                                 |
|--------------------------------|---------------------------------|
| Range of product               | Preventa Safety automation      |
| Accessory / separate part type | Memory card                     |
| Product compatibility          | XPSMCM                          |
| Memory usage                   | Save and transfer configuration |
| Memory type                    | SDRAM                           |
| Memory capacity                | 512 MB                          |

## Complementary

|                                    |                |
|------------------------------------|----------------|
| Accessory / separate part category | Separate parts |
| Quantity per set                   | 1              |
| Depth                              | 18 mm          |
| Height                             | 21.5 mm        |
| Width                              | 2 mm           |
| Product weight                     | 0.004 kg       |

## Environment

|                                       |                                |
|---------------------------------------|--------------------------------|
| Ambient air temperature for operation | -10...55 °C                    |
| Ambient air temperature for storage   | -20...85 °C                    |
| Relative humidity                     | 10...95 % without condensation |

## Contractual warranty

|          |           |
|----------|-----------|
| Warranty | 18 months |
|----------|-----------|
