## Main

|                           |                  |
|---------------------------|------------------|
| Range of product          | Harmony XVS      |
| Product or component type | Electronic alarm |
| Device short name         | XVS              |

## Complementary

|                                        |                                                                                   |
|----------------------------------------|-----------------------------------------------------------------------------------|
| Colour                                 | Black                                                                             |
| Material                               | ABS (acrylonitrile butadiene-styrene): body<br>PC (polycarbonate): terminal cover |
| Product weight                         | 0.18 kg                                                                           |
| Marking                                | CE                                                                                |
| Overvoltage category                   | Class II conforming to EN/IEC 61140                                               |
| Mounting support                       | 72 mm DIN rail                                                                    |
| [Us] rated supply voltage              | 12...24 V DC                                                                      |
| [Uimp] rated impulse withstand voltage | 0.8 kV                                                                            |
| Current consumption                    | 117 mA at 12 V<br>125 mA at 24 V<br>158 mA at 12 V<br>200 mA at 24 V              |
| Clamping connection capacity           | ≤ 1 x 1.5 mm <sup>2</sup>                                                         |
| Width                                  | 72 mm                                                                             |
| Height                                 | 72 mm                                                                             |
| Depth                                  | 69.3 mm                                                                           |

## Environment

|                      |                                                |
|----------------------|------------------------------------------------|
| Discrete output type | PNP                                            |
| Signalling type      | 16 tones alarm                                 |
| Standards            | UL 464<br>EN/IEC 61000-6-3<br>EN/IEC 61000-6-2 |

|                                       |                                                    |
|---------------------------------------|----------------------------------------------------|
| Product certifications                | UR                                                 |
| Protective treatment                  | TC                                                 |
| Ambient air temperature for storage   | -35...70 °C                                        |
| Ambient air temperature for operation | -10...50 °C                                        |
| IP degree of protection               | Panel mounted: IP54 conforming to EN/IEC 60529     |
| Noise level                           | 0...90 dB (continuous or intermittent tone) at 1 m |
