| Тип расширенного изделия        | YLS-7.9-125A                                                                                                                                                                                                                                                                                                                                                                               |
| Идентификационный номер изделия | 7TCG009420R0113                                                                                                                                                                                                                                                                                                                                                                            |
| Европейский товарный код (EAN)  | 5414363072751                                                                                                                                                                                                                                                                                                                                                                              |
| Описание в каталоге             | CABLE TIE 250LB 5IN 304SS BALL-LCK                                                                                                                                                                                                                                                                                                                                                         |
| Длинное описание                | Ball-Lock 304 Stainless Steel Cable Tie, Uncoated, for Temperatures up to 300 Degrees Celsius (572 F) for Indoor and Outdoor Applications, Suitable for High Temperature Environments, UL/EN/CSA62275 Type 2S Rated for AH-1 Plenum, Length of 125mm (4.92 Inches), Width of 7.9mm (0.311 Inches), Thickness of 0.26mm (0.01 Inches), Tensile Strength Rating of 1110 Newtons (250 pounds) |

### Ordering

|                                |               |
|--------------------------------|---------------|
| E-Number (Finland)             | 1381428       |
| Европейский товарный код (EAN) | 5414363072751 |

### Dimensions

|                        |                    |
|------------------------|--------------------|
| Чистая ширина изделия  | 0.311 in<br>7.9 mm |
| Чистая толщина изделия | 4.92 in<br>125 mm  |

|                    |         |
|--------------------|---------|
| Чистый вес изделия | .007 lb |
|                    | 3.175 g |

## Container Information

|                                |                   |
|--------------------------------|-------------------|
| Package Level 1 Units          | 100 штука         |
| Package Level 1 Width          | 5.9 in<br>150 mm  |
| Package Level 1 Height         | 0.6 in<br>15 mm   |
| Package Level 1 Depth / Length | 7.9 in<br>201 mm  |
| Package Level 2 Units          | 2500 штука        |
| Package Level 2 Width          | 5.9 in<br>150 mm  |
| Package Level 2 Height         | 9.4 in<br>239 mm  |
| Package Level 2 Depth / Length | 11 in<br>279 mm   |
| Package Level 3 Units          | 5000 штука        |
| Package Level 3 Width          | 13 in<br>330 mm   |
| Package Level 3 Height         | 10.8 in<br>274 mm |
| Package Level 3 Depth / Length | 11.6 in<br>295 mm |

## Additional Information

|                                |                                                                                                                                    |
|--------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
