

### Main

|                              |                       |
|------------------------------|-----------------------|
| Range of product             | Harmony               |
| Product or component type    | Head for pilot light  |
| Product specific application | For incandescent bulb |
| Cap/Operator or lens colour  | Green                 |

### Complementary

|                       |                |
|-----------------------|----------------|
| Mechanical durability | 1000000 cycles |
| Product weight        | 0.015 kg       |

### Environment

|                                            |                                                 |
|--------------------------------------------|-------------------------------------------------|
| Standards                                  | EN/IEC 60947-5-1<br>CSA C22.2 No 14             |
| Protective treatment                       | TH                                              |
| Ambient air temperature for operation      | -25...55 °C                                     |
| Ambient air temperature for storage        | -40...70 °C                                     |
| Vibration resistance                       | 15 gn (10...500 Hz) conforming to IEC 60068-2-6 |
| Shock resistance                           | 100 gn conforming to IEC 60068-2-27             |
| Class of protection against electric shock | Class II conforming to IEC 61140                |
| IP degree of protection                    | IP65 conforming to IEC 60529                    |
| IK degree of protection                    | IK08 conforming to EN 50102                     |
